Educational.

The attention of Trustees, teachers and all persons interested are called to the following order, made by the Board of Education at its late session, and they will govern themselves accordingly. This became necessary from the fact that the county officials have been imposed upon by parties that were able to buy them some books. The action of the law was enough to indigent children only and persons who are not able to buy their books. The order reads as follows:

"That no school books shall be furnished to any indigent child except upon the application of person to the Master, guardian or person in charge of the child presenting to the County Judge a written recommendation by justice of the peace in the district in which said applicant resides, asking that they be furnished."

The school law, see Sec. 10, Art 9, requires the trustees to report the names of all such children to the County Superintendent and a list of all so reported is kept in a book prepared for that purpose in his office.

The meeting of the teachers at Bridgerton last Saturday was somewhat of a success, that is the people of that place did their part well, but those on the programme who were not present disgraced every thing. We hope that while we are making teaching a profession will not take an interest in that which is for their good.

Those on the programme who presented their part nobly and deserve great credit for their work.

The next meeting will be held at the Walcott school house, district No. 37, and we hope to see a large crowd of teachers present. The date is the 3d Saturday in November, of December. The following is the programme.

Opening Exercises.

Mental Arithmetic—H. M. Polgrave, R. S. Dinkle and E. R. Jones.

Essay—Theory and Practice—Miss Lucy Ladd.

Percentage—C. H. Parrent, Miss Hannah Innes.

All are invited and expected to take part in these discussions.

COUNTY SUPERINTENDENT.

An honest Swede tells his story in plain but unmistakable language for the benefit of the public. "One of my children took a severe cold and got the 'croup'—I applied the powerful ointment of Chamberlain's Goods Remedy, and in five minutes later I gave her one more. By this time she had to cough up the gathering in her throat. Then she went to sleep and slept good for fifteen minutes. Then she got up and omitted nothing. She went back to bed and slept good for the remainder of the night. She got the croup the second night and I gave her the same remedy with the same good results. I write this because I thought there might be some doubt in the minds of some as to the true merits of this wonderful medicine." CHARLES A. THOMPSON, Des Moines, Iowa. 50 cent bottles for sale by J. W. Gayle. 8-1n.

Marvelous Endurance.

The vast amount of labor performed by the heart in keeping all portions of the body supplied with blood is not generally known. It beats 100,000 times, and forces the blood at the rate of 20 miles a day, which is 9,000,000 miles and 54,000 miles in a life time. No wonder there are so many Heart Failures.

The first symptoms are shortness of breath when exercising, pain in the side, stomach, fluttering, choking, palpitation, oppression, then followed by hunger, something spells, swollen ankles, etc. Dr. Franklin Miles' New Heart Cure is the only reliable remedy sold by J. W. Gayle, Frankfort, Ky. 1

Not Able to Walk.

I was confined to my bed for six months with Rheumatism, not able to walk, and the remedies usually prescribed for this disease having been employed to no effect. I commenced taking S. S. S. I have now taken 11 bottles of this excellent medicine and am on my feet, attending to all my house work as of yore. I feel that I cannot sufficiently express my thanks for the benefit received from the use of this medicine.

Mrs. M. A. Woodward, Webb City, Mo.

He Prescribes It.

I have used S. S. S. for Blood Diseases for several years, and find it all it is recommended to be. I heartily recommend it to any one needing a blood purifier.

Theory Knocked Out.

Col. Ed. C. Went, local weather observer, has a theory that if it rains on Monday it will rain two more days in that week; but he was floored on it this week, anyhow.

Leave Them Out.

Our correspondents are requested to leave advertisements of their neighbor's business out of their weekly letters, as they will not be inserted unless paid for at regular rates.

Common Pleas Court.

The Court of Common Pleas met on Monday, with Judge Ira Julian presiding, and has continued in session the balance of the week. The docket is an unusually full one and a great deal of business has been disposed of.

Supper.

The ladies of the First Presbyterian Church will give a light supper in the basement of the church next Wednesday evening from six till ten. No admission will be charged. Supper consisting of sandwiches, pickles, coffee and &c., and fives and cake can be had for 25 cents. The children of the mission band will also offer fancy articles suitable for Christmas presents for sale at the same time.

Will Vote \$250,000.

On Monday Lexington will vote upon the proposition to authorize the City Council to vote \$250,000 to indemnify the State for any loss it may sustain in removing the Capitol to that city. It is needless to say that the proposition will be carried, no matter whether the people vote for or against it, as the gang who now control that city have a way peculiar to themselves of managing elections, and majorities are ground out on their side every time. So it is an easy matter for Lexington to vote the money, but to get the Capitol is another thing.

FRANKFORT ROUNDABOUT.

Entered at the post-office at Frankfort, Kentucky, as second-class mail matter.

GEO. A. LEWIS. Editor and Publisher.

FRANKFORT, NOVEMBER 22, 1890.

A New Hotel.

A postal card passed through the post office in this city, the first of the week, addressed as follows: "Mary Weather's Hotel, Frankfort, Ky."

Moved In.

Mr. S. T. Fortune has removed to the new cottage which he recently erected on Main street, between Campbell and Todd, South Frankfort.

A Large Flock.

A flock of five hundred and twenty-five turkeys was driven through our streets Saturday morning on the way to Bagdad, where they will be slaughtered for the eastern market.

A Success.

The parlor concert given on Monday evening, at the residence of Mr. H. H. Watson, was a great success. A large audience was present and the music splendid. The receipts amounted to \$30.

A Nice Sum.

The supper given on Friday night of last week by the "Willing Workers" of the Methodist Church, netted one hundred and ten dollars to the Church fund. The children's fancy table realized fifteen dollars of that sum.

Early Morning Fire.

The kitchen of Mr. George Thomas' residence, on Second street, South Side, was destroyed by fire about 5 o'clock Wednesday morning. The fire originated from a terrocota flue which ran through the roof. Loss about \$150. Covered by insurance with the People's Insurance Co., Chas. F. Exum, agent.

Home to Stay.

Mr. Caspar L. Gayle has returned from Cynthiamburg, where he has been residing for the past two years, and will hereafter be found at the drug store of his brother, Mr. J. W. Gayle, on the corner of Ann and Broadway. Cap. was one of Frankfort's most popular pharmacists when here several years ago, and all old friends will welcome his return to our midst.

Got Stuck.

One of the large wagons of Messrs. W. A. Gaines & Co., loaded with shelled corn, was crossing Broadway, at the intersection of High street, Wednesday morning, when one of the front wheels struck a soft place in the street made by a leak in a water pipe and cut through to the hub. It required about an hour's hard work to prize it out and get the wheel on solid ground.

Wants to Locate Here.

The National Lathe and Tool Company, of Philadelphia, have written to Gen. Fayette Hewitt asking information to regard to this city, with a view to locating a manufactory of all classes of shaped, cut and turned wood in this city. The Company has a system of geometric lathes with which an immense amount of work can be turned out in a day. A committee has been appointed by the Board of Trade to correspond with them and induce them to locate a plant here.

Seriously Injured.

Mr. Willard Miller, son of Mr. George W. Miller, who had been at work putting a tin roof on the resi-

dence of Mr. Jas. C. Rodgers, on the corner of Clinton and High streets, Wednesday morning, had completed the job, walked down the roof and attempted to step on a ladder and descend to the ground, but the top round of the ladder was loose, gave way under him and he fell forward, alighting upon a summersault in the fall and alighting upon his hips on a brick pavement twelve feet below. He was badly bruised up and injured internally, and has since been confined to bed. He had a cold chisel in his hip pocket and fell upon it, which made the damage worse than it otherwise would have been.

Convict Shot.

A negro convict employed upon the farm of Mr. E. W. Ayres, of this county, as a stable hand, became rebellious one day the first of the week and attacked the trainer of Mr. Ayers' trotting horses, a white man, with a club, and drove him away from the stable. The white man went to the house, procured a pistol and returned, when the negro again attacked the man and the trainer shot him in the hand. The negro ran and the white man again fired upon him, the bullet striking him in the leg. The negro then went to the quarters where the convicts were confined at night for the purpose of getting a gun, which was kept there, but was driven off by the man who does the cooking for them. He then cooled down and agreed to behave himself.

More Light.

The Council has at last agreed to allow the Capital Gas and Electric Light Company to run their electric light wires across the St. Clair street bridge, and the wires have been stretched to the South Side. Arc lights will be placed in the drug store of Mr. Phil. Carpenter, the grocery of Mr. James Heeney, Aubrey & Sergeant's meat store, and the new building of the LeCompte & Gayle Co., as soon as it is completed. The city should also have a light or two placed on the bridge, as the present gas lamps do not give enough light on some portions of the bridge to keep persons passing along the side walks from running over each other.

Send in Your Orders.

The entire ROUNDABOUT and Journal forces have chartered one gun and three dogs and will go on a grand hunting excursion next Thursday. Hotel keepers and private families wishing to be supplied with birds, rabbits and other wild varmints will please send in their orders the first of the week to Col. Richard Van Derveer or Major William C. Woods, Secretaries of the expedition. R. E. Lee Hulett and Chas. A. Watts, the celebrated wing shots will accompany the party and are expected to do immense execution.

Gratifying to All.

The high position attained and the universal acceptance and approval of the pleasant liquid fruit remedy Syrup of Figs, as the most excellent laxative known, illustrates the value of the qualities on which its success is based and are abundantly gratifying to the California Fig Syrup Company.

10-4t.

Friday, November 28th,

Dr. W. Kelley, of Cincinnati, will be at the Capital Hotel, where he can be found in his usual quarters. His patients should remember the date, and not fail to go and see him.

Holiday Goods.

I have just received a large and elegant stock of holiday goods, which will be opened on Monday. Prices lower than before.

JOHN B. WEITZEL.

Patronize home industries and buy Miles & Son's flour. 14

Large stock of solid Silverware at M. A. Seibert's, the jeweler.

FRANKFORT, KY., NOV. 22, 1890.

The Kentucky Midland.

New York capitalists have been negotiating towards going in with the Kentucky Midland and completing it to the mountains, but the financial crisis came on in New York and delayed a consummation for a while. They had experts to examine the road, and were greatly pleased with its construction.

Mr. P. C. Skeeton and son, Henry, visited friends and relatives in Shellyville.

SIX MILE GAL.

Among the Colored Citizens.

The colored voters held a meeting Thursday night and effected an organization for the coming campaign. They will have a rally next Tuesday evening at Robinson Hall, on Broadway, which will be addressed by quite a number of local speakers. Time of meeting 8 o'clock.

Mr. Joseph Warren, formerly of this city, but now of Chicago, is in the city.

Mr. Lemuel Johnson is in the city,

called here to attend the funeral of his father, Mr. M. C. Johnson.

Miss Maggie Taylor is reported quite ill at her residence on Washington street.

Mr. Johnson was one of our leading citizens, was always foremost in the interest of his race, and was especially devoted to the educational advantages offered our youths, being one of the first to establish the "Colored School Board." His funeral took place Wednesday from the First Independent Baptist Church, the sermon being preached by Rev. Mr. Gaddy, of the Green Street Church, Louisville. Mr. Johnson leaves a family consisting of a wife and ten children, to mourn his loss, who have the sympathy of our whole community.
